

## REMARKS

Applicant thanks Examiner Le for the courtesies extended to Applicant's representative during the telephone discussion of February 7, 2011.

It is initially noted, per MPEP 713.04, that during the afore-referenced discussion, no exhibit was presented and no demonstration was conducted.

Agreement was reached with respect to the claims, as further detailed below. Applicant has now received a Notice of Allowance and Fees Due, dated February 18, 2011.

The Examiner's Interview Summary correctly notes that Applicant agreed to amend independent claims 1, 19, 26 and 28 to incorporate subject matter of dependent claims 29, 30, 31 and 32, respectively, cancel claims 29-32, and add "non-transitory" to claim 28. These changes are reflected in the Examiner's Amendment attached to the afore-referenced Notice of Allowance.

Applicant again thanks Examiner Le for his assistance and timeliness.

The foregoing is believed to be a complete response to the Examiner's Interview Summary and no further reply is required by Applicant.

Respectfully submitted:
